John S. Nichol of Co .H, 123rd Pennsylvania Infantry. The 123rd was a 9 month regiment which served from August 22,1862 to May 9, 1863. During this entire period Pvt. Nichol carried his Bible and used its pages to document his service which covers the time from the Issue of his uniform to the Regiment’s discharge shortly after the Battle of Chancellorsville. The diary describes soldier life and gives an insight into the life of a soldier in a short-term Regiment that served during one or the hardest periods of the War. There is little doubt that this bible was carried as Nichol was careful to give a full complete documentation of his Regiment’s assigned place as part of the hard-fighting 5th Corps as well as instructions of where to send the bible should he become a casualty – The Pages of this Bible Have Been Transcribed over to a Bound Book That Make it Easier to Read What is in the Bible. Here is an Incredible Find and a Must for Any Civil War Collector – Selling the Bible & Sharps Together!
